The videos coming out are devastating. Cat 5 hurricane Dorian is going across tonight.
Over 220 mph winds and 18-23 ft storm surge.
Those poor people.

#DORIAN'S DEVASTATION You can hear a mother in this video asking people, "please pray for us everyone, me and my baby."

Thankful for the brave people in Law Enforcement who stopped the #MidlandOdessaShooting

Praying for all who are involved 🙏
Very terrible senseless tragedy.

Took my workout outside today on this beautiful morning. Happy to have gotten my training in this morning!! It's been hard to squeeze it in lately

Constantly varied high intensity functional fitness #CrossFit is just a way of life for me. No matter what I'm doing, I fit in.

Bullying stores into becoming gun free zones where Americans can not defend themselves, even though we have the right to do so is not gun safety.

What about all the insults and Russian collusion and impeachment talk that the American people and @realDonaldTrump has had to endure over the past 3 years?? Aren't those baseless claims? Stooping so low...

> **Sen Dianne Feinstein** @SenFeinstein

As a small business owner, I can tell you $15 wage is a job destroying business killer.

As a Rep candidate in GA6, I'm running to fire Dem Lucy McBath, who voted for the $15 wage, she promised she would NOT vote for it.

The real answer to that would be bc climate change is a lie. The real reason democrats voted present is bc they refused to vote yes to your idiotic #GreenNewDeal disaster. Voting present says, “we were here and still didn’t vote yes bc socialism sucks.”

GA-06 Candidate Marjorie Greene's Petition to Impeach Nancy Pelosi Gains Momentum After Trump Tweet

Alpharetta, GA- Before announcing her run for GA-06 District, Marjorie Greene created a petition that called for the impeachment of Democratic Speaker of the House Nancy Pelosi

President Trump is now calling for Pelosi's impeachment

"Back in January, I called for the exact same thing. My petition to impeach Nancy Pelosi was in response to the radical Democrats' shameful calls for impeachment of President Trump. I couldn't sit idly by and do nothing. So, I made the petition and received nearly 200,000 petition signers in 30 days."

Donald J. Trump
Nancy Pelosi knew of all of the many Shifty Adam Schiff lies and massive frauds perpetrated upon Congress and the American people in the form of a fraudulent speech knowingly delivered as a ruthless con, and the illegal meetings with a highly partisan "Whistleblower" & lawyer.

Donald J. Trump

This makes Nervous Nancy every bit as guilty as Liddle' Adam Schiff for High Crimes and Misdemeanors, and even Treason. I guess that means that they, along with all of those that evilly "Colluded" with them, must all be immediately Impeached!

Since the President's tweet, Marjorie Greene's petitions have added thousands more, totaling nearly 215,000 signatures, more than double of the original goal.

"I am the biggest supporter of President Trump in the GA-06 Republican primary. Trump is popular in GA-06. The overwhelming majority of people oppose impeachment.

However, my Democrat opponent

My Rep opponent Karen Handel funded Planned Parenthood $500 mil when she voted for the $1.3 trillion Omnibus bill, most expensive spending bill in US history.

Hmm where does PP get that $45 mil to spend on defeating R's?

Karen lost in 2018..

Dems oppose every single inch of wall because they know it works. Border patrol says it does. I support:

* Securing border
* Building wall
* Funding Border Patrol
* Cutting off funding to sanctuary ctities
* Fixing immigration system to reward those who follow the law

Sunday afternoon meet and greet in Marietta, the heart of Georgia's CD6.
Grassroots conservatives are with us ... our team is growing by the day. They are tired of career politicians who say one thing on the campaign trail then vote another way once safely in office! #gapol

My Dem opponent Lucy McBath is trying to ride the fence on impeachment, playing games with voters in our district just like she did when she said raising the min wage to $15/hr would kill jobs / small biz, walked out in the HELP Committee, then voted to crush small biz in House.

She votes the Socialist Squad -- AOC, Omar, and Tlaib -- almost 100% of the time.

If her votes became law, our job-creating district would get crushed.

She's a Democrat job killer ...

The majority of voters in Georgia's 6th CD OPPOSE the Pelosi / Schiff impeachment witch hunt sham. Why? Because they know Democrats have been trying to impeach President Trump since the moment he beat Hillary Clinton on election night 2016. #gapol

Democrats know they can't risk Trump on the ballot and winning in November 2020, so they're doing whatever they can alongside their accomplices in the Fake News media, to take him out now.

You're saying what, now? You think a majority of #GA06 voters are opposed to #impeachment?

How exactly did you come up with this claim?

Facts do matter. In #GA06 35% or less favor impeachment.

I'm meeting more and more of our campaign's supporters every single day. Huge momentum on the ground ... we will win one door at a time. Voters are tired of career pols who campaign on one thing, then do another. See y'all on the trail! #gapol

* Increase wait times
* Put a DC bureaucrat in charge of deciding which procedures you can and cannot have

My Democrat opponent Lucy McBath is again for a federal government takeover, voting with the Socialist Squad almost 100% of the time

I OPPOSE this scheme to give DC more power.

The more government has gotten involved, the higher prices have gotten for Americans.

We need less government, not more. More choices, less DC bureaucrats.

So-called "Medicare for All" would send taxes through the roof and result in a federal government takeover of health care in America.

It would also:

* Eliminate your private health plan
* Reduce access to doctors
* Ration health care

Press Release
Contact: isaiah@Greene2020.com

Alpharetta, Georgia On hearing the news that State Senator Brandon Beach has dropped out of the Georgia 6th District Republican Primary Race, I would like to thank Brandon for his willingness to serve

His campaign theme was "Be Bold." As voters are finding out, I am that bold candidate

I'm a suburban mother of three wife, business owner, job creator, Georgia native and Christian conservative who is the only candidate that can defeat Lucy McBath in 2020.

The Greene for Congress campaign is gaining massive conservative grassroots support across the district as each day passes as we implement our battle plan to take back Georgia's 6th

Karen Handel cannot beat Lucy McBath, and she proved that to all of us by losing the Republican seat we held for 40 years.

Our district is an economic powerhouse in Georgia It deserves a Representative in Congress who will vote for low taxes, job creation, secure communities, border security, work to lower the cost of health care and increase access to doctors and treatments for our population

Lucy McBath votes with the Socialist Squad a most 100% of the time.

The result of her votes would increase taxes (she wants to repeal the Trump Tax Cuts) on ALL 6th District residents, result in a government takeover of health care in America ("Medicare for All"), increase energy costs / kill jobs ("Green New Deal" and Mandatory $15 minimum wage hike), and make our communities less safe ($0 to secure our borders).

Georgia 6th is my home. It's where I've raised my children, where we have run our businesses, and the place that I am from.

Home is where the heart is, and my heart is in Georgia 6th

I am the only Republican in this race who has supported President Trump from day one Republicans cannot take the 6th District back with a candidate who is a proven loser and

They want a Republican candidate who isn't a career politician. They want a Republican candidate who won't campaign on one thing and then do another. They want a Republican candidate who will stand with President Trump against radical left wing attacks, not one who is ashamed to do so.

I am that conservative Republican candidate.

Career politician Karen Handel cannot beat Lucy McBath, and she proved that to all of us by losing the Republican seat we held for 40 years.

As a life-long Georgia resident and political outsider, wife, suburban mother of three, businesswoman, job creator... I am the Republican candidate the Democrats and McBath fear the most.

I live and work here in the 6th. I know first hand the issues families in our district want handled in DC that aren't being addressed by Lucy McBath.

We need price transparency from medical providers and insurers so that health care consumers (all of us) can see the prices we are paying for health care. By doing so, consumers will be able to compare price, thus driving prices down. We need more competition in the health care industry, not less.

McBath and the Democrats want no competition, a total government takeover of health care, which will lead to massive tax hikes, rationing of care, and less access to doctors and cutting-edge medical procedures.

Voters in our district want low taxes, a vibrant economic and jobs environment, health care security, safe and top-notch schools, and a secure border.

Lucy McBath has done none of these things for the residents of Georgia's 6th Congressional District - she's spent most of her time on Pelosi's Impeachment Sham (voted for it TWICE) rather than fighting for our district.

Lucy McBath votes with the Socialist Squad almost 100% of the time.

Our district is an economic powerhouse in Georgia.

It deserves a Representative in Congress who will fight for low taxes, job creation, secure communities, border security, work to lower the cost of health care and increase access to doctors and treatments for our population.

I'm calling on all Republicans in the district who are tired of career politicians saying one thing and doing another, to join our growing grassroots force, help us win the Republican Primary on May 19th, then take back the 6th in the November 2020 General Election.

Marjorie Greene, Republican Candidate, Georgia's 6th CD

Press Release
Contact: isaiah@Greene2020.com

Alpharetta, Georgia – After seeing last night's news of her campaign suspension, I'd like to thank Nicole Rodden for her willingness to serve the residents of Georgia's 6th Congressional District.

When I launched my campaign a few months back, our goal was straightforward:

Give Republicans in Georgia's 6th Congressional District a conservative fighter to get behind who will take back our district by defeating Lucy McBath next November.

Over the last few months, my campaign has spoken with tens of thousands of Republican voters at the door, in the mail, on social media, and face to face. We are bringing in voters and volunteers to our campaign one door, one voter at a time.

They want a Republican candidate who isn't a career politician. They want a Republican candidate who won't campaign on one thing and then do another. They want a Republican candidate who will stand with President Trump against radical left-wing attacks, not one who is ashamed to do so.

I am that conservative Republican candidate.

Hey @bluestein, noticed you Tweeted Never Trump career politician Karen Handel's two main GOP rivals have dropped out. Nothing could be further from the truth. They never were. Come on out and see what's actually happening on the ground. We will win.

> Former U.S. Rep. Karen Handel, who lost the seat to McBath last year, is the top Republican fund-raiser at this point in the campaign with $712,518. But she is followed closely by businesswoman Marjorie Taylor Greene with $625,442 and state Sen. Brandon Beach with $525,632.
>
> Political newcomer and military veteran Nicole Rodden, another Republican in the race, raised $167,841 through Sept. 30, according to her report.

No matter how they slice it, the Democrat plan for health care in America ends in a complete government takeover.

If they get their way, it will result in:

Lots of monkey business was going on at the FBI in their efforts to spy on @realDonaldTrump's campaign.

Let's hope and pray these traitors are discovered and held accountable for their actions!

This is what you hear on the ground all over the 6th CD. Never Trump career politician Karen Handel will say or do anything to get elected. She ran away from Trump in 18 -- and advised other Rs to do so as well -- leading them to slaughter. Vote Marjorie Greene May 19! #gapol

John Frisbie

We all want Karen Handel to just get out of the way. She blew her opportunity last cycle. She does not have the vision, the energy or the appreciation of how great Trump is. Go sit and watch TV, Karen . . You are not what the 6th needs.

Never Trump career campaigner Karen Handel is one of them.

Imagine if they would have succeeded, Hillary Clinton would have packed the Supreme Court and other courts around the country with left-wing radicals.

I'm the candidate to defeat Lucy McBath in next November's General Election

Lucy McBath has voted for Pelosi's waste of time impeach twice. Health care costs, secure border, jobs / economy ... she votes with Socialist Squad almost 100% of the time. CD6 deserves better than gov takeover of health care, wide open borders, and econ crushing votes. #gapol

I've always been proud to stand with Pres Trump. My opponent the career campaigner ran away from him and trotted around with Never Trump Paul Ryan. Diff is clear ... she is a career politician who will say or do anything. I'm an outsider, job creator, suburban wife, mom. #gapol

Make no mistake, Rep. Van Drew is a hard left liberal, but this scenario really highlights the hypocrisy of the Fake News media. If this was a Repub switching to Dem DURING Impeachment, it would be wall to wall on all Fake News channels 24 hrs a day.

1. I'm proud to support President Trump AGAIN in 2020, just like I did in 2016.

What drew me to him was the fact that he is a political outsider. He didn't spend his career in government, but rather in the private sector creating jobs. #gapol

"Marjorie Greene is a full-spectrum conservative who is not afraid to speak out for our principles and values. If she's elected, she will be a powerful voice for hardworking American families in Congress."

Marjorie had this to say in response to her endorsement from the House Freedom Fund

"I'm honored to receive the House Freedom Fund endorsement. I look forward to their strong conservative support across the 14th Congressional District as we head into the May 19th Republican Primary. As a Christian conservative wife, mother of three, businesswoman and job creator, I'm proud to say I'm 100% Pro-America, Pro-Trump, Pro-Life, and Pro-Second Amendment.

2. Grassroots conservatives are flocking to my campaign in Georgia's 14th CD. We will win on May 19 one voter, one door at a time! #gapol

I'm a political outsider and problem solver. I'm not a career politician and never want to be. With a Congress that is continually failing the people, my sole purpose for running is to represent the people of the 14th CD, not the career politicians and bureaucrats.

I encourage all conservative Republicans in the 14th, and those who love our country and want to Keep America Great, to get behind my campaign and help me take the fight for the people of NW Georgia to Washington, DC. I would also be honored to become the first female elected Republican Representative from the 14th and NW Georgia in Congress."

The House Freedom Fund is endorsed by House Freedom Caucus members like Congressmen Jim Jordan and Mark Meadows

Jim Jordan: "The House Freedom Fund helps grassroots candidates get the financial support they need to compete with establishment candidates."

Mark Meadows: "Change in Washington means changing the people we send there and HFF is making that happen by sending principled, conservative outsiders to D.C."

1. This week the radical, left-wing Democrats led by Nadler and Pelosi will likely vote to Impeach President Trump.

We cannot allow this to stand. First, we must tell our Georgia Senators Perdue and Isakson (likely Loeffler) that we expect a 100% acquittal in the Senate. #gapol

Good news. Obamacare has been a diaster for health care. My family premium went from $800/ month to $2,400/month when first passed.

We need more competition, price transparency, and less government involvement. Reject socialized medicine! #gapol

Sleepy Joe Biden here in his own words saying he is willing to KILL blue collar jobs in order to get the so-called "Green New Deal." This is shocking.

We must defeat these radical, job killing Dems next November or we're in for a very bumpy ride. #gapol #sass

Trump Derangement Syndrome is strong with the Hollywood elite. Think any of them will leave the country after Trump wins in 2020 (like they said they would after 2016)? Don't count on it.

Four more years for President Trump in 2020.

I praise God for the birth of Jesus!

While he was an infant just once, he is my Lord And Savior.

Jesus is the sacrificial lamb, the lion of Judah, and the King of Kings.

Wishing everyone many blessings and a Merry Christmas!!

2. This endorsement coupled with my endorsement from the House Freedom Fund makes clear I am the conservative champion the 14th CD needs fighting for NW Georgia in Congress. #gapol

I am excited to receive the endorsement of the Right Women PAC as well as the endorsement from the House Freedom Fund. Grassroots conservative Republicans across the 14th Congressional District are flocking to my 100% Pro-America Pro-Trump Pro-Life, and Pro-Second Amendment campaign and we re fired up to receive this additional support from two organizations that are seeking to help get more conservatives into the Freedom Caucus who will fight for our country our Constitution and defend President Trump.

Over the last three and a half weeks as we traveled across all the counties in the 14th and met with hundreds of voters, it s clear that I will be the most tenacious fighter for our shared conservative values in Congress

I would also be honored to be the first ever woman elected to Congress from Georgia s 14th Congressional District

My campaign s plan for victory is simple We campaign directly to the people, one door one voter at a time And we ll be blanketing all the counties over the next 4 months mobilizing tens of thousands of conservative Republicans to the polls for my campaign

Prayers for those affected.

Yet one more example of why we cannot allow our Second Amendment rights to be destroyed.

Thanks for the sign in the yard today Marjorie. We're at the 20 second mark.

Sorry about the rain. At least the signs pushed down into the wet ground easily for you. Always a silver lining if you look for one.

Why are you outraged that a terrorist is dead who is responsible for killing over 600 Americans, planned the US embassy attack in Iraq, and was planning more attacks on American troops?
@POTUS did the right thing.

Walking door to door in Dallas and across Paulding County today.

The 14th CD is a massive district making up 12 counties. Our ground game is growing and getting stronger by the day.

Voters tired of career pols, DC bureaucrats, and establishment telling them what to do. #gapol

@SenWarren wants 3 regulations that will destroy our economy:
2028-all new buildings/houses - zero carbon footprint
2030-all trucks and cars - zero carbon footprint
2035-all electricity production - zero carbon footprint
That means NO oil or coal.
#idiot

Warren said she's willing to ban drilling, mining, new buildings, new houses in the name of "environmental justice" 😳

And she's coming for our trucks and electricity too

Loved talking with Frankie Freeman in Paulding County today.

Veteran and small business owner ... two groups of people that make our country great and what we're fighting for.

I look forward to meeting thousands more folks on the campaign trail across 12 counties. #gapol

Throw the impeachment trial out!

It's a scam
It's a lie
It's an embarrassment
It's a waste of time
It's another waste of hard earned tax payer dollars

The Impeachment Sham is pathetic and so are the Democrats shoving this down America's throat.

I've been a business owner for two decades and money doesn't just appear out of thin air. Every penny is earned with hustle and hard work.
How did Hunter Biden get $1.5 billion from China with a 2 month old company?
What was expected in return?

How did Donny go from being in major debt to flush with cash investments? One of them is goof off son of a politico and the other is president right now. I know which one I m more worried about currently.

1. Over 62 million people have been killed from abortion in the US since Roe vs Wade.

Abortion is the most deceptive lie that has ever been sold to women.

Motherhood will NEVER hold you back.

Being a mother is the GREATEST GIFT of a woman's lifetime.
